

June 2025 Classroom Newsletter

News From 4A

"Honour your father and your mother, that your days may be long in the land that the Lord your God is giving you." Exodus 20:12

It is so hard to believe that we've reached the busy and fun month of June! Our class has worked so hard this year and we have been having some fun with some special, class countdown activities.

Our final spelling test will be on June 13. (no spelling the week of June 2-6). We are enjoying our novel study of Mice at Centre Ice. As we wrap up our story writing Unit, we will finish off with our Poetry Unit.

We have begun our last math Unit, Graphing Data.

In Social Studies, we are presenting our research Projects about the Blackfoot. In Science we are finishing up our studies of Plants.

This year with this outstanding class has been an incredible blessing. It has been a privilege to watch these amazing kids grow and learn. Enjoy your summer. God bless!
